**GO-JP-12-24**

- Lithium powered welder containing internal battery
- CC welding capabilities
- Capacity: 140A stick welder
- Lightweight design, weighs only 34 lbs
- Duty cycle: 20% 140A, 50% 110A, 100% 80A
- Dimensions: 18.3" L x 7.6" W x 14.9" H
- Clean, quiet operation
- User-friendly for quick repair jobs
- Portable, ability to carry the entire welder / cables

**FEATURES**

- Lithium-ion battery replaces AC power supply for convenience and mobility
- Built-in high power constant-current and constant-voltage charging unit for fast charging
- Ergonomic handle and weight balance design for easy carrying
- Hot start for easier welding
- High accuracy display for current
- Easy to read LED display
- Waterproof, dust proof, shock proof, rugged and durable battery pack

**BUILT-IN SAFETIES**

- Over charge protection
- Overload protection
- Over discharge protections
- High temperature protection
- Undervoltage and overvoltage protection
- Short-circuit protection
- Battery cell positive thermal coefficient (PTC) protection
- Reset protection
- Temperature coherence protection
- Current equalization protection

## 3-IN-1 AIR COMPRESSOR / GENERATOR / WELDER

## AIR N ARC® 150

This Air N Arc® 150 provides you with three forms of power in one compact and economic unit, allowing you to save space and weight on your vehicle. Provides up to 190 amps of welding power and a 30 gallon air reservoir tank.

### Specifications

- 14 HP Kohler® engine
- 30 gallon air reservoir tank
- 20 CFM compressor
- 5 kW AC generator
- 1.9 gallon fuel capacity
- 150 amp DC CC weld
- 20' weld cables w/amp control on electrode holder
- Dimensions (w/fittings): 50.7" L x 19.2" W x 40.8" H

**\$888.99  
VALUE!**

**GO-JP-12-1000T**  
with purchase of this Air-N-Arc

### SPECIAL FEATURES

- Fuel system can be integrated with the chassis
- Powder coated sheet metal for protection
- 100% duty high frequency welder offering excellent weld characteristics
- Galvannealed steel metal
- Heavy duty belt driven system for anti-vibration and long service intervals

### AIR COMPRESSOR

- Reciprocating compressor
- Cast iron air pump with 3 cylinder head design for better cooling

### GENERATOR

- True two generator system for safe multi-functioning of welder and electric tools
- Independent AC power for safe multi-functioning
- Brushless design
- Smooth wave for minimal distortion
- Two 120V outlets and one 240V outlet provided

### WELDER

- Patented amperage and power controls built into welding lead for ease of use
- 100% variable completely controllable, no preset settings
- Independent welding generator
- Auto throttle controls

## RECIPROCATING COMPRESSOR

## PRO 35➤

**IN STOCK  
AND READY TO  
SHIP TODAY!**

**VANAIR®**  
MOBILE POWER SOLUTIONS™

**\$3,889.99<sup>ea</sup>**  
**VAN-051935**

Vanair's line of reciprocating compressor packages were developed to meet the demands of customers that need the convenience of mobile air at an economical cost. Designed to provide rugged, powerful, and dependable performance. These compressors are a perfect fit for the mechanic, service, agriculture, and contractor markets.

### AIR COMPRESSOR

- Reciprocating
- 2 cylinder

### ENGINE

- 11.7 HP Honda® GX390 engine
- Electric start with recoil back-up
- 1.6-1.9 gallon fuel tank
- Gasoline

### INSTRUMENTATION

- Air pressure gauge

**CFM @ 100 PSI:** 35 CFM

**AIR PRESSURE:** 175 PSI

**DIMENSIONS:** 45" L x 19" W x 43" H
